Committee Corner

Our Presidents Profile

Sarah Clifton I first became involved with the Grenfell Preschool and Long Daycare Centre when my eldest daughter Phoebe started attending in 2005. I have been the Secretary on the Management Committee for the past two years. Initially I trained as a secondary school teacher and I worked in Queensland and NSW before I married James and moved to Grenfell. We now have four children, Phoebe, Kate, Henry and Emma. I believe that Preschool and Long Daycare facilities are a very important part of the services that our community provides for young children and their families. I am looking forward to continuing to work with Sharon, the staff at the Centre and the Management Committee during the next year.

Next General meeting at Quandialla 8th November 7.30pm

Children with Asthma

The Staff at the centre will be doing Asthma training on the 3rd November. A reminder for all parents is that all children with asthma at the centre should have an Asthma Plan. Just ask the Doctor for it and supply a copy to the centre for staff to refer to.

Please help us to help your child.

Little play ground

Great news they have started work on the little yard again and the fence is up so the children can access it. The planting will be done this week and we are asking for the children's help in doing it. I am sure by helping with the planting they will take an interest in it and help look after the plants

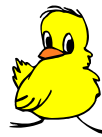

Working Bee

Working Bee date has been set for the 20th November from 9 till noon. We need help to turn the soffit and top it up. We also need help to clean the gutters, do some gardening and fix our fence. Please let us know if you can help.

“Right from The start “– Early Intervention Australia

Early Childhood Intervention Association Inc (ECIA NSW) is asking for your assistance with the “Right From the Start” campaign to increase support for children with disabilities in NSW

The NSW Government's Stronger Together Program has improved the lives of some children with disability or developmental delay and their families, in some areas of NSW. It is now time for all children to get the same amount of funding regardless of their disability type or where they live. Let's all get in and help by campaigning for the children. You can start by registering your concern

Chickens

There was lots of excitement when the chickens arrived and even more when they laid an egg. The children have named them Speedy and Chickadee. We have to find out what we can do to stop them eating the eggs. If anyone can help us please tell us.

Don't forget to send a hat with your children and make sure their name is on it

School Photos

Fotek School Portraits from Sydney will be at the centre to do the school photos on Thursday 25th November starting at 9am.

As soon as the envelopes for ordering arrive they will be sent home with a date to be returned.
