# CORONAVIRUS (COVID-19) MANAGEMENT POLICY

(Effective from 18 June 2021)

## Introduction

COVID-19 is a new strain of coronavirus that was originally identified in Wuhan, Hubei Province, China in December 2019. The World Health Organization (WHO), has declared that COVID-19 outbreak as a 'pandemic' - a Public Health Emergency of International Concern (effective 11 March 2020). This is mainly due to the speed and scale of transmission of the virus in countries around the world, including Australia.

COVID-19 is transmitted from someone who is infected with the virus to others in close contact through contaminated droplets spread by coughing or sneezing or by contact with contaminated hands or surfaces. According to Department of Health, the time of exposure to the virus and when symptoms first occur is anywhere from 2-14 days.

Symptoms can range from a mild illness, similar to a cold or flu, to pneumonia. People with COVID-19 may experience:

- fever
- flu-like symptoms such as coughing, sore throat and fatigue
- shortness of breath

The [Australian Government](#) is constantly updating the current status of COVID-19 including health recommendations, travel restrictions, and a vast collection of resources and information to help people make informed decisions.

As this information is changing rapidly, our Service is monitoring health alerts and implementing measures suggested by key health experts to minimise the transmission of COVID-19.

Our Service has a range of comprehensive policies in place to guide best practice in relation to health and safety, dealing with infectious diseases and maintaining a child safe environment. Our duty of care and responsibilities to children, parents, families and all staff to provide a safe environment is of utmost importance.

The evolving nature of COVID-19 and the unprecedented steps required to protect our community as recommended by the Australian Government, has resulted in the development of a specific policy to assist our Service manage this pandemic.

This policy will change as required to ensure the protective measures against COVID-19 as advised by our government are implemented by our Service.

### NATIONAL QUALITY STANDARD (NQS)

QUALITY AREA 2: CHILDREN'S HEALTH AND SAFETY		
2.1.1	Wellbeing and comfort	Each child's wellbeing and comfort is provided for, including appropriate opportunities to meet each child's needs for sleep, rest and relaxation.
2.1.2	Health practices and procedures	Effective illness and injury management and hygiene practices are promoted and implemented.
2.2	Safety	Each child is protected.

EDUCATION AND CARE SERVICES NATIONAL REGULATIONS	
77	Health, hygiene and safe food practices
85	Incident, injury, trauma and illness policies and procedures
86	Notification to parents of incident, injury, trauma and illness
87	Incident, injury, trauma and illness record
88	Infectious diseases
90	Medical conditions policy
93	Administration of medication
162	Health information to be kept in enrolment record
168	Education and care service must have policies and procedures
173 (2)(g)	Prescribed information to be displayed- centre based service and family day care service, a notice stating that there has been an occurrence of an infectious disease at the premises or venue

---	---

## PURPOSE

Our Service will minimise our educators and children’s exposure to COVID-19 by adhering to all recommended guidelines from the Australian Government- Department of Health and local Public Health Units to slow the spread of the virus. We will implement practices that help to reduce the transmission of the virus including the exclusion of any person (child, educator ,family member, visitor or volunteer) that is suspected or has tested positive to having COVID-19. Our Service will implement effective hygiene practices as per our existing policies and procedures and increase the frequency of cleaning and disinfecting high touch areas as per SafeWork Australia recommendations.

Our Service will provide up-to-date information and advice to parents, families and educators sourced from the Australian Government, Department of Health and state Ministry of Health about COVID-19 as it becomes available. Recommendations and health measures mandated by the Federal Government Department of Health will be strictly adhered to at all times.

As recommended, our Service has a COVID-19 Safety Plan in place and a copy is available on our premises at all times.

## SCOPE

This policy applies to children, families, educators, Board of Directors and visitors of the Service.

## IMPLEMENTATION

Our Service is committed to minimise the spread of the COVID-19 virus by implementing recommendations provided by the [Australian Government- Department of Health](#) and Safe Work Australia.

Our Service implements procedures as stated in the *Staying healthy: Preventing infectious diseases in early childhood education and care services* (Fifth Edition) developed by the Australian Government National Health and Medical Research Council as part of our day-to-day operation of the Service.

We are guided by explicit decisions regarding exclusion periods and notification of any infectious disease by the *Australian Government- Department of Health* and local Public Health Units in our jurisdiction under the Public Health Act. COVID-19 is a notifiable condition in all states and territories of Australia.

The Public Health Unit may contact the Approved Provider in the event of any child, educator, staff member or visitor who has attended our Service, and has tested positive to COVID-19. Contact tracing will be conducted by the PHU and further advice provided.

This policy must be read in conjunction with our other Service policies:

- Sick Children Policy
- Incident, Injury, Trauma and Illness Policy
- Medical Conditions Policy
- Handwashing Policy
- Health and Safety Policy
- Interactions with Children, Families and staff Policy
- Payment of Fees Policy

## Minimising the transmission of COVID-19

### Risk Management

#### NSW Services

Under the NSW Public Health Act, Early Childhood Education and Care Services are exempt for mandatory electronic check in for customers/families. ECEC services are required to collect information

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

on all families and visitors to the service as part of their compliance with National Regulations and to assist with contract tracing, if necessary, by Public Health Units.

### Infection Control Training

Our staff are committed to assist in infection prevention controls and have completed [COVID-19 infection control training](#).

### Hygiene practices

Our Service will ensure [signs and posters](#) remind employees and visitors of the risks of COVID-19 and the measures that are necessary to stop its spread including hand washing and hand rub procedures and information about COVID-19. <https://www.dese.gov.au/covid-19/childcare>

These will also be communicated to families through email, newsletters and social media. Alcohol-based hand sanitiser will be kept out of reach of young children and only available for adults to use. If families decide to apply this to their child, they must supervise the child to avoid rubbing it into their eyes or a child swallowing the gel/liquid. Our Service will supply disposable tissues and have bins available with plastic liners available in several locations for disposing used items.

Information provided to families may include:

- symptoms of COVID-19
- transmission of the virus
- self-isolation and exclusion
- prevention strategies- including hand hygiene and self-isolation
- contact details for health assistance
- CCS and ACCS information
- Public Health Orders (if required)
- Wearing of face coverings

**The Approved Provider, Nominated Supervisor, educators, families and visitors will comply with the following:**

#### Exclusion/ Self-isolation/ Self-quarantine

Our Service has an obligation to ensure the health and safety of employees, children and visitors in our workplace, so far as reasonably practicable. We may therefore collect information from visitors about

their potential exposure to COVID-19 in order to identify, assess and control risks of infection in line with Department of Health guidelines. Information collected will only be viewed by designated staff members

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

and

will be stored securely. To comply with privacy laws, personal information will only be disclosed on a 'need to know' basis to the Public Health Unit to prevent and manage COVID-19 if required. (ACTU Privacy at work)

- any person visiting our Service - including families 'dropping off' children if they enter the service, must sign the Parent/Visitor Health Declaration confirming that they have not come into *close contact* with anyone with a positive COVID-19 diagnosis in the past 14 days
- effective 28 March 2020, **any person** entering Australia from any destination will be required to undertake 14-day quarantine at designated facilities (Australian Government)
- travellers from New Zealand are able to enter Australia quarantine-free under certain criteria (14.12.20)
- any person who has been in close contact with someone who has a positive diagnosis must self-isolate for 14 days and follow the instructions of your state/territory Health department and authorised contact tracers. (see: [Quarantine for coronavirus \(COVID-19\)](#))
- household members of a person who has a confirmed case (including children) of COVID-19 must also be isolated from the childcare service and general public and follow instructions by Public Health
- the Public Health Unit will provide further information on a case-by-case basis as to the length and place of isolation (see: [COVID-19 self-isolation](#))
- in the event of a staff member, parent, child or visitor being diagnosed with COVID-19 the Public Health Unit will conduct contact tracing and provide further advice to our Service as required
- any person (employee, enrolled child, parent, caregiver, visitor or contractor) who is displaying symptoms such as: **fever, coughing, sore throat, fatigue and shortness of breath**, should be tested either by visiting a free COVID-19 respiratory clinic to arrange a test for COVID-19 and not attend our Service **under any circumstance until they receive a negative test result.**

### Implement effective hygiene measures

The national campaign *Help Stop The Spread and Stay Healthy*, launched by the Australian Government has emphasised that effective handwashing is a vital strategy to help reduce the spread of the COVID-19 virus. Handwashing with soap and water for at least 20 seconds whenever you cough, sneeze or blow your nose, prepare food or eat, touch your face or use the toilet is recommended.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

Our

Service will adhere to National Regulation requirements and Government guidelines to ensure all educators, children, families and visitors to the Service implement best practice.

Department of Health units in states/territories may introduce various measures to help slow the spread of coronavirus during the pandemic.

Our Service will ensure:

- all employees, families, children and visitors wash their hands with soap and water or use the alcohol-based hand sanitiser provided upon arrival to the Service
- a workplace attendance register is maintained for all educators, families, visitors at all times (including contact phone numbers) as per National Regulations
- hands are thoroughly dried using disposal paper and disposed of in the bin provided
- disposable tissues are used to wipe noses, eyes or mouths and disposed of in the bin provided immediately after use
- hands are washed following the use of tissues
- hands are washed thoroughly using soap and water before and after using the toilet
- cough and sneeze etiquette is used- cover your cough and sneeze with your hand or elbow
- educators and staff adhere to our *Handwashing Policy* at all times
- children are supervised when washing hands
- educators adhere to effective food preparation and food handling procedures
- educators wash their hands or use alcohol-based sanitiser, before wearing gloves and wash their hands after wearing gloves
- educators adhere to our *Health and Safety Policy* for cleaning and disinfecting surfaces and equipment (such as toys, puzzles, outdoor toys, bedding, playdough etc) as per *Staying healthy: Preventing infectious diseases in early childhood education and care services* recommendations
- educators will maintain a cleaning register of all surfaces and equipment conducted
- equipment, resources and surfaces including high-touch surfaces- taps, door handles, light switches, nappy change areas, toys, keyboards and laptops/iPads will be cleaned more frequently as required using detergent and water followed by disinfectant
- cleaning contractors hygienically clean the Service to ensure risk of contamination is removed as per [Environmental Cleaning and Disinfection Principles for COVID-19](#) or [Cleaning and disinfecting after a confirmed case of coronavirus \(COVID-19\) factsheet](#)

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

- washroom facilities for employees have adequate supplies of soap, toilet paper and alcohol-based sanitiser
- all persons over the age of 12 use a face covering if mandated by the Public Health Unit

### Social/Physical distancing in childcare

Social or physical distancing is important because COVID-19 is most likely spread from person-to-person through close contact with a person while they are infectious, close contact with a person with a confirmed infection who coughs or sneezes or from touching objects or surfaces (such as door handles or tables) contaminated from a cough or sneeze from a person with a confirmed infection and then touching your nose or mouth. (source: Australian Government Department of Health. Coronavirus disease)

Social or physical distancing in early childhood education and care is not feasible for educators to perform their job, however we will implement measures to minimise the risk of exposure as *reasonably practicable*.

Early Childhood Education and Care services are not subject to restrictions on how many people (adults or children) can be on the premises at one time. Our Service will encourage educators to apply physical distancing measures where possible and not gather in groups or encourage groups of families to congregate. (SafeWork NSW, AHPPC)

### To reduce the spread of COVID-19 families are reminded of the following:

- if your child is sick, do not send them to our Service
- do not visit our Service if you or another family member is unwell
- sanitise your hands at regular intervals throughout the day
- avoid physical contact with other people who may be sick- such as older people and people with existing health conditions
- clean and disinfect high touch surfaces regularly (door handles, car seats, mobile phone, toys, dummies)
- promote strictest hygiene measures when preparing food at home and at the Service

### To minimise the risk of exposure to COVID-19 our Service will:

- undertake a risk assessment to identify potential risks and mitigate with consideration risks to children and staff
- revisit the risk assessment whenever new risks or potential risks are identified and adjust our management plan

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

- restrict the number of visitors to our Service (including students, delivery of goods)
- restrict the number of family members visiting our Service
  - families will not come into the Service, children will be collected at the door and signed in by a staff member. In the afternoon, children will be signed out by a staff member and taken to families, who will be waiting at the door.
  - install signage and markings on the floor near the front entry indicating a 1.5 metre mark for families to use
  - families who need to complete additional paperwork such as medication forms will be able to do so in the foyer
  - require all staff to wear face coverings when meeting families at the door
- restrict the number of educators using the staff room at any one time.
- reduce mixing of children by separating cohorts.
- where possible, outdoor play will be promoted within our Service to provide children with additional personal space.
- large groups will be monitored to provide flexible learning to ensure groups are smaller in both the indoor and outdoor environment.
- mixing of educators and children between rooms should be avoided where possible.
- office staff should, where reasonable practical use separate areas or separate themselves as much as possible from one another.
- increase ventilation within the Service.
- educators should serve children food and avoid children self-serving from a shared plate.
- avoid any situation when children are required to queue- waiting their turn to use bathroom for handwashing or toileting, waiting their turn to use a piece of equipment etc.
- contact families of children who have chronic medical conditions or immunosuppression as they may be at an increased risk of disease and require additional support/care.
- conduct COVID-safe risk assessments for any group outings to public places (excursions to local shops, schools, libraries).
- conduct COVID-safe risk assessments for any large group celebrations and abide by NSW restrictions for groups size, square metre allowance and other measures.
- communicate with families and families the risk mitigation strategies to be adhered to during any group celebrations.
- Recommend that staff:
  - travel directly from home to work (avoid stopping at shops or petrol station)

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

- wash hands with soap and water for at least 20 seconds or sanitise hands with alcohol-based sanitiser before and after travelling to work

### Suspected cases of COVID-19 at our Service

As per our *Sick Child Policy* we reserve the right to refuse a child into care if they:

- have a contagious illness or infectious disease
- have been in close contact with someone who has a positive confirmed case of COVID-19
- are unwell and unable to participate in normal activities or require additional attention
- have had a temperature/fever, or vomiting in the last 24 hours
- have had diarrhoea in the last 48 hours
- have been given medication for a temperature prior to arriving at the Service
- have started a course of anti-biotics in the last 24 hours

If a child becomes ill whilst at the Service, educators/staff will respond to their individual symptoms of illness and provide comfort and care. The child will be cared for in an area that is separated from other children in the service to await pick up from their parent/carer.

Educators will take the child's temperature. If the temperature is above **37.5°C** families will be contacted and required to collect their child within 30 minutes. If they are unable to collect their child, an emergency contact person/authorised nominee will be contacted, and they must collect your child within 30 minutes.

Educators will attempt to lower the child's temperature by:

- removing excessive clothing (shoes, socks, jumpers)
- encourage the child to take small sips of water
- move the child to a quiet area where they can rest whilst being supervised

Educators will wear disposable gloves **and a face mask** to avoid possible contamination. All items/resources touched by the child will be cleaned and disinfected to avoid possible cross contamination.

Educators will keep accurate records of the child's temperature, time taken, time parent/s were contacted, staff member's name and time of collection.

All information will be recorded in our *Incident, Injury, Trauma and Illness Record*. Families will be required to sign this record upon collection of their child.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

Families are reminded to ensure their contact details are current and emergency contact details are updated if required.

Our Service also reserves the right to prevent employees, parents, family members or visitors to enter our premises if the Approved Provider or Nominated Supervisor suspects instances of COVID-19 due to symptoms being displayed.

### Notification

The Approved Provider or Nominated Supervisor is mandated by law to notify the Public Health Unit on **1800 020 080** of any confirmed case of COVID-19. In addition, the Approved Provider must also notify the [Regulatory Authority](#) in their state or territory within 24 hours.

At all times, privacy laws must be adhered to and information about individuals must not be shared without permission.

### Talking to children about COVID-19

As per our *Interactions with Children, Families and Staff Policy*, our Service is committed to maintaining positive interactions and relationships with children and their families. Information provided to children about COVID-19 will be age appropriate and sensitive to their emotional wellbeing. Educators will both acknowledge children's concerns and be open to discussions about COVID-19.

Educators will inform children about the virus and emphasise preventative measures such as handwashing, use of tissues, cough and sneeze techniques and limiting touching other children's faces.

Posters to demonstrate correct handwashing methods will be referred to and educators will model techniques.

Children's emotional well-being will be closely monitored by all educators and staff and any concerns communicated with parents and families. Children's questions will be respected and supported.

Educators will be supported in professional learning to help children deal with trauma related to COVID-19 through resources, webinars and online modules. (Emerging Minds, beYou)

In the event of the Service being closed as a precaution to limit the spread of the virus, information will be provided to parents/families to help explain the situation to young children.

### Payment of Fees

As per our *Payment of Fees Policy*, fees are payable in advance of your child's attendance.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

CCS hourly rate caps will be adjusted from 13 July 2020. see: [Child Care Subsidy rates](#)

Children must continue to meet immunisation requirements.

### Child Care Safety Net

The Child Care Safety Net gives families and services extra support if they are vulnerable or disadvantaged or located in a regional or remote community. Families may be eligible for [Additional Child Care Subsidy](#) (ACCS) due to temporary financial hardship and be entitled to access up to 100 hours of subsidised childcare per fortnight for up to 12 weeks. Families will need to update their activity levels through [myGov](#).

### Children considered at risk

Where a child is enrolled and is considered 'at risk' of serious abuse or neglect, our Service will refer the child or family to the appropriate support agency in order to comply with the legislative requirements.

### Allowable Absences from childcare- Local Area Emergency Declaration

Families can access 42 allowable absence days per child each financial year however, if a Local Area Emergency Declaration is made, additional absence days may be available to families if their child has used their 42 absence days.

Check with your state/territory for further current information. <https://www.dese.gov.au/child-care-package/ccp-resources-providers/help-emergency>

**Allowable Absences Provisions** will also take effect on 13 July 2020. This allows families to receive CCS for absences up to seven (7) days before a child's first physical attendance at a service and seven (7) days after a child's last physical appearance where they have been booked in for care for a set of predetermined reasons. Further information can be found at: [additional absence reasons](#)

### What happens if our Service is forced to close?

The decision to close our Service will be made, and advised, by relevant state and territory governments PHU or the Regulatory Authority. This may be due to a confirmed case of COVID-19 in our Service community.

Should this occur, all families will be notified immediately via email and/or phone.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

The Approved Provider must notify the [Regulatory Authority](#) within 24 hours of any closure via the [NQA IT System](#) the Regulatory Authority for Work Health and Safety in their state/territory (Safe Work Australia) **and** the Department of Education, Skills and Employment (DESE) in their state or territory. In addition, Services that need to temporarily close for COVID-19 related reasons must now also report closures (and re-openings) via your third party software or the [Provider Entry Point \(PEP\)](#).

New South Wales and Australian Capital Territory: [NSWACT@dese.gov.au](mailto:NSWACT@dese.gov.au)

Victoria: [CCSAssessments-VIC@dese.gov.au](mailto:CCSAssessments-VIC@dese.gov.au)

Queensland: [CCSAssessments-QLD@dese.gov.au](mailto:CCSAssessments-QLD@dese.gov.au)

Western Australia: [CCSAssessments-WA@dese.gov.au](mailto:CCSAssessments-WA@dese.gov.au)

South Australia: [ChildcareSA@dese.gov.au](mailto:ChildcareSA@dese.gov.au)

Tasmania: [ChildcareTasmania@dese.gov.au](mailto:ChildcareTasmania@dese.gov.au)

Northern Territory: [ChildcareNT@dese.gov.au](mailto:ChildcareNT@dese.gov.au)

Our Service will receive a 'deep clean' to ensure all areas are cleaned and disinfected as per Safe Work cleaning guidance. We will continue to keep families informed as to when we are expected to re-open as advised by the Public Health Unit.

From 13 July 2020, should our Service be directed to shut down due to COVID-19, or a fire, flood or other local emergency, our standard local emergency procedures will be followed. Activating a **period of local emergency** will allow families access to additional absences if the initial 42 absence days per child per financial year have been used. Additional absences days claimed due to COVID-19 related reasons, do not require a medical certificate.

If our Service is advised or directed to close on public health advice as a result of COVID-19, out of pocket fees- Gap Fees- will be waived. (Effective 30 June 2021 until 31 December 2021)

### Staff entitlements if sick or suspected to have COVID-19

Under workplace health and safety laws, our Service must ensure the health and safety of all employees.

### Confirmed COVID-19

If an educator or staff member is confirmed to have COVID-19, they are unable to attend the workplace and cannot return to work until they have completed a period of self-isolation of at least 14 days and receive a negative test result. Employees must make a declaration that they are *fit for work* and have no symptoms of COVID-19 for the past 72 hours (3 days). A doctor's certificate or clearance is not required.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

Full and part-time employees who cannot attend work due to illness can take paid sick leave. Employees who have no leave entitlements remaining may be eligible to apply for Pandemic Leave Disaster Payment.

As per our privacy obligations under the *Privacy Act*, the identity of a person with a confirmed case of COVID-19 will only be shared with Public Health and/or on a strictly 'need to know' basis. Access to personal or medical information can only be shared with the consent of the employee.

### Caring for a family member or emergency

If an employee cannot attend work due to caring for a family member due to COVID-19, they are entitled to take paid carer's leave. Casual employees are eligible to have 2 days unpaid carer's leave per occasion. See [Fair Work Act](#) for entitlements for casual, part time and full-time employees. Reasonable evidence is required to justify the absence.

### Self-isolation due to travel or returning from interstate where borders are closed

As per Australian Government's new measures for COVID-19 effective 28 March 2020, any person returning from overseas will be mandated to isolate in a designated facility. The employee **is not entitled** to be paid (unless they use paid leave entitlements- annual leave.) Employees are not entitled to use personal sick leave as they are not 'sick'. Employers may choose to adopt an option to satisfy both parties. (See: [Australian Business Lawyers and Advisors](#) for further information)

Similarly, any person required to self-isolate due to travel restrictions within Australia are not entitled to be paid. Employees may be eligible to access up to 2 weeks of [Pandemic Leave Disaster Payment](#).

### Self-Isolation Unpaid Pandemic Leave

Effective 8 April 2020, employees who are required to self-isolate by government or medical authorities or acting on advice of a medical practitioner may access unpaid [pandemic leave](#). (Extended until 31 December 2021). The agreement has to be in writing and the employer needs to keep it as a record.

This leave provides employees with:

- 2 weeks of unpaid pandemic leave
- the ability to take twice as much annual leave at half their normal pay if their employer agrees.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

### Self-Isolation directed by Service

Where an employee is directed by the Approved Provider to stay home and self-isolate as they have shown symptoms of a flu-like illness, and the employee is not sick and able to work, our Service will continue to pay the employee as per their contract. The employee will be requested to complete work from home negotiated with the Approved Provider.

### Self-isolation as a precaution

If an employee wants to stay home as a precaution of contracting COVID-19 they **may negotiate** to take unpaid leave, annual leave or long service leave with Management.

### Waivers

In the event of educators requiring to self-isolate due to possible infection of COVID-19, the Approved Provider will apply to the Regulatory Authority for waivers for qualifications and/or ratios to minimise disruptions to our provision of care. (Payment for waivers must be paid, however will be reimbursed by the regulatory authority) see: [NGA ITS Portal Emergency Management Help Guide](#)

### Communicating with families

Our Service will establish continue regular communication channels with families and share information about COVID-19 as required.

Due to the fluid nature of COVID-19 and the necessity of self-isolation for some educators, our Service will endeavour to inform families of any staff changes on a daily basis.

Educators who have approved leave will be replaced with casual staff and families will be informed as per our usual practices to ensure continuity of care where possible.

As restrictions continue to be lifted across all states and territories, our risk mitigation measures may also be eased. Any changes to our current organisational plans will be communicated clearly with families.

### Caring for our community

We understand that the outbreak of COVID-19 and the constant amount of information received through the media may be very stressful to young children and families. The anxiety about this virus may be overwhelming and cause fear and anxiety to some people, especially children.

Grenfell Preschool  
+ LONG DAY CARE CENTRE

Weddin Mobile  
Preschool  
Service

Our Service is committed to continue to provide quality education and care to all children and support families responsibly during this unprecedented challenge with the COVID-19 outbreak.

Knowing how to look after yourself, and others is very important during this crisis.

We will promote a safe and supportive environment by:

- reassuring children they are safe
- acknowledging and listening to children's questions
- promoting and implementing hygiene routines for handwashing and cough and sneezing
- keeping regular and familiar routines within our Service
- ensuring children eat well throughout the day
- engaging children in play, games and other physical activities
- being alert to children's level of anxiety and provide quiet and relaxing activities
- ensuring children are provided with rest and sleep when needed
- providing information to families and support services as required
